

## In the news

Divide your group into teams of four or five persons each, and make sure each team has the necessary supplies:

- Scissors
- Tape
- Pins
- Plenty of old newspaper

You'll also need a separate room or corner in which each team can work with privacy (and hilarity).

**Process:** Each group selects one person to be the costume-wearer. After deciding what kind of costume to make, the costumers go to work cutting, crumpling, bunching, rolling, piecing, pinning and taping. After an appropriate amount of time, call everybody together for a costume show.

(And don't forget to recycle your newspaper when you're finished!)
